Subject:Lough Sheelin

Lough Sheelin should not be closed to pike anglers at any time. If the pike need protecting it is in the summer months when the water is warm, not in the winte. What a bad joke the IFI have become.

Sheelin has been a wonderful pike fishing destination and I urge you to protect it for the enjoyment of pike anglers and in the interest of the local B&Bs, restaurants and bars that benefit from it.

Chris Turnbull.
