CONSERVATION AND DEVELOPMENT

Each year funding is made available by Inland Fisheries Ireland to allow fisheries related projects to be carried out. This funding is made available to Inland Fisheries Ireland and to eligible third parties. The funding depends on available budgets and varies from year to year. What follows is a summary of funding made available to applicants between 2013 and 2020. The funding schemes offered in that time include:

- The Salmon Conservation Fund (SCF), which later became
- The Salmon and Sea Trout Rehabilitation, Conservation and Protection Fund
- The Midland Fisheries Fund (MFF)
- The Capital Grant Scheme (CGS) and the
- National Strategy For Angling Development Fund (NSADF)
