16/06/2025	703-25-Ops	Member of the public	I am making this request under the Freedom of Information Act 2014. I wish to obtain records relating to the closure or restriction of public angling access on the Inagh River in County Clare. In particular the Strech below the bridge in Ennistymon to the tail race of the hydro plant. I am aware of the existence of Salmon and Sea Trout Conservation Bye-law No. 660 of 1987, which applies to the Inagh River and imposes restrictions on the fishing of salmon and sea trout. However, my request specifically concerns any additional restrictions, closures, or prohibitions—beyond what is provided for under this bye-law—imposed on any stretch of the river at any time from 1 January 2020 to the present. I request access to the following records: 1.Any documentation, directives, enforcement notices, maps, or other records referring to the full or partial closure of the Inagh River to angling or public access between 1 January 2020 and the present. 2.Any legal basis (such as bye-laws, ministerial orders, statutory instruments, or emergency authorisations) for such closures or restrictions during that time period. 3.Any guidance, correspondence, or instructions issued to IFI fisheries officers or regional staff relating to the enforcement of such closures or access restrictions on the Inagh River.	Refused in accordance with Section 15(1)(a)

14/08/2025	711-25-Ops	Member of the public	Following the statement made by an Inland Fisheries officer on RTE this evening regarding the River Blackwater fish kill, I request under the Freedom of Information Act 2014: All test results relating to this incident. Details of the tests conducted, including parameters tested and methods used. Dates and times of all sample collection and testing. Any reports or internal communications on the cause of the fish kill. Given the very short time frame between the incident and the public statement ruling out pollution, I require the above documentation to understand how such a conclusion was reached. If no verified results exist to support that statement, I believe it should be publicly retracted until evidence is available.	Part Granted in accordance with Section 32(1)(a) Section 37

18/08/2025	713-25-Ops	Member of the public	I would like to request the statistics surrounding prosecutions for all offences committed by individuals(not companies, corporations etc). I would like the statistics to involve the demographics around age and nationality and the prosecution numbers for each demographic. With this information I would like to use it for academic purposes and also social purposes to hopefully reduce the racist idealogy that many so called anti poachers have adopted. I believe this is vital information and should be publicly shared.	Part Granted in accordance with Section 15(1)(a)
15/09/2025	715-25-Ops	Member of the public	1.Raw counter event logs for the River Maine (2022-2024) with associated camera footage and verification logs. 2.IFI policy and or procedures on handling "unverified" counter outputs 3.TEGOS inputs showing how the Maine counter data were used in the 2024 assessment and Castlemaine commercial fishery advice.	Part Granted in accordance with Section 32(1)(b) Section 15(1)(d)
